Payments for services rendered shall be made in accordance with said billing. Invoices shall be deemed due upon receipt and payment shall be made within thirty days after receipt by the GSD.

6. PERSONNEL

Contractor represents that it has, or will secure at its own expense, all personnel required for performance of services pursuant to this Agreement. Such personnel shall not be employees of or have a contractual relationship with GSD. All of the services required under this contract will be performed by the Contractor or by Contractor's personnel under his direction, except or unless GSD gives written permission to Contractor to subcontract the services. GSD shall have the right to approve all said subcontractors but such consent shall not be unreasonably withheld. All of Contractor's personnel or subcontractors shall be fully qualified and, to the extent required by law, rule, regulation or ordinance, licensed and/or permitted.

Contractor further warrants as follows with regard to the employment of personnel for performance of services as defined herein:

- A. That in the hiring of employees for the performance of work under the contract or any subcontract thereunder, no contractor, or subcontractor, nor any person acting on behalf of such contractor or subcontractor, shall, by reason of race, religion, color, sex, national origin or ancestry, discriminate against any citizen of the state of Indiana who is qualified and available to perform the work to which the employment relates;
- B. That no contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under the contract on account of race, religion, color, sex, national origin or ancestry;
- C. That there may be deducted from the amount payable to the contractor by GSD under the contract, a penalty of five dollars (\$5.00) for each person for each

calendar day during which such person was discriminated against or intimidated in violation of the provisions of the contract; and

- D. That the contract may be cancelled or terminated by GSD, and all money due or to become due thereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this section of the contract.

7. COOPERATION BETWEEN GSD AND CONTRACTOR

In order for Contractor's services to be productive and effective and for GSD to obtain the maximum benefit therefrom, there must be a mutually cooperative effort on the part of GSD and Contractor. GSD shall therefore provide Contractor full access to all available plans, reports, records, statements, personnel files, and other similar data relative to the task it is assigned.

Upon request, GSD shall also provide Contractor with personnel and/or any reasonably necessary accommodations at GSD's facilities which are deemed by Contractor to be essential to the provision of services.

GSD's decisions, approvals, reviews, and responses shall be communicated to the Contractor in a timely manner so as not to delay the performance of the services. Comments, if from a committee or multiple interested entities, must be a consolidation of all comments in order to provide clear direction to the Contractor and to avoid delays.

8. PROHIBITED CONDUCT

GSD shall not knowingly request Contractor to perform any act or service that is in violation of any state or federal law, rule or regulation, nor shall Contractor engage in any such conduct unless a waiver is first obtained from the appropriate state or federal agency. Contractor shall apprise GSD of any and all such conduct in regards to GSD's business as soon as it becomes aware of it.

GSD shall have the right to prohibit Contractor from engaging in activity it deems in conflict of interest with GSD employment pursuant to this Agreement.

9. TERMINATION

GSD may terminate this Agreement for any reason by giving thirty (30) days written notice of intention to do so to Contractor. Upon receiving such notice from GSD, Contractor shall cease performance except to the extent necessary to protect GSD's interest in any matter. Upon receipt of such notice, Contractor shall cooperate with whomsoever GSD nominates to take over Contractor's responsibilities. Contractor shall be paid for all variable services performed in carrying out its responsibilities after receiving notice of termination and GSD reserves the right to obtain from Contractor any of its files or other items to which it is entitled.

Contractor may terminate this Agreement for any reason upon giving GSD thirty (30) days written notice of intention to do so. Upon receiving written notice from Contractor, GSD will make reasonable efforts to secure the services of another municipal consultant, and Contractor will continue to provide services until such time as GSD is able to secure the same. Contractor will be paid in accordance with this Agreement for any and all services performed for GSD.

10. MODIFICATION AND SEVERABILITY

This agreement represents the entire understanding between the parties, and modifications of this agreement shall not be effective unless reduced to writing and signed by both parties. In the event that any portion or portions of this agreement are found to be void or voidable, such portions shall be stricken and the remaining portions of the agreement shall be enforceable.

11. SUBCONTRACTING

Contractor may not subcontract any part of the work covered herein without prior written consent of GSD.

12. FINES OR SANCTIONS

Contractor shall be personally responsible for paying any fines or sanction penalties which any judge, or administrative board, or administrative agency orders Contractor to personally pay by reason of actions of Contractor in violation of applicable statutes, procedural rules, rules of professional conduct, or rules of administrative entities.

14. WAIVER OF CONTRACT PROVISIONS

Subject to applicable law, any right or remedy which GSD may have under this contract may be waived in writing by the GSD by a formal waiver, if in the judgment of the GSD,

this contract, as so modified, will still conform to the terms and requirements of pertinent laws.

However, in no event shall the making by GSD of any payment to Contractor constitute or be construed as a waiver by the GSD of any breach of covenant, or any default which may then exist, on the part of Contractor, and the making of any such payment by GSD while any such breach or default exists shall in no way impair or prejudice any right or remedy available to GSD in respect to such breach or default.

15. WORK PRODUCT

Under this Agreement, all documents and other materials, including, but not limited to, files, records, pleadings, documents and exhibits received or generated by Contractor within the scope and during the course of his performance under this Agreement shall be the property of GSD, unless otherwise agreed to by a separate written agreement executed by both parties.

16. AUDIT, INSPECTION, AND RETENTION OF RECORDS

- A. Contractor shall furnish GSD with such information as GSD may request relative to the progress, execution and/or cost of an assigned task. Contractor shall maintain records showing actual time, in quarter-hour increments, and cost incurred. Contractor shall permit an authorized representative of GSD to inspect, copy, and audit all data and records of Contractor for work done in connection with this Agreement. Any and all agreements with subcontractors or Contractors employed by Contractor shall provide for authorized representatives of the GSD to inspect and audit all data and records for work done in connection with this Agreement.
- B. Contractor shall maintain its books, records, documents and other evidence, and use generally accepted accounting procedures sufficient to accurately reflect all costs, of whatever nature, claimed to have been incurred and anticipated to be incurred for or in connection with the performance of this Agreement for five (5) years after the final payment made in connection with this Agreement.
- C. No provision of this Contract granting GSD a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the GSD would have had in the absence of such provisions.
- D. Any and all written or oral information received by Contractor or any of its agents, employees, Contractors or subcontractors in regards to performance of its responsibilities under this Agreement shall, to the extent permitted by law, be considered confidential and shall not be divulged to any third party, except to the extent required to permit performance, without the prior written consent of GSD and Contractor shall notify all its agents, employees, Contractors and subcontractors of this provision. In addition, the original and any copy of any

record, report, audit or study for which GSD has paid Contractor shall be considered to be the sole property of GSD, regardless of where it is maintained and also shall not be disclosed, except as required by law or Court Order, without prior consent of GSD.

17. CONTRACTOR'S REPRESENTATIONS RELATED TO UNAUTHORIZED ALIENS

- A. Contractor represents that it is enrolled in and verifies the work eligibility status of all newly hired employees of the Contractor through the E-Verify program as defined herein; however, contractor is not required to verify the work eligibility status of all newly hired employees of the Contractor through the E-Verify program if the E-Verify program no longer exists and Contractor signs an Affidavit affirming that the Contractor does not knowingly employ an unauthorized alien.

“E-Verify program” means the electronic verification of work authorization program of the Illegal Immigration Reform and Immigration Responsibility Act of 1996 (P.L.104-208), Division C, Title IV, §403(a), as amended, operated by the United State Department of Homeland Security or a successor work authorization program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work authorization status of newly hired employees under the Immigration Reform and Control Act of 1986 (P.L. 99-603).

- B. Contractor and its subcontractor(s) may not knowingly employ or contract with an unauthorized alien; or retain an employee or contract with a person that the Contractor or its subcontractor subsequently learns is an unauthorized alien. If a Contractor violates this requirement, the City shall require in writing that the Contractor remedy the violation not later than thirty (30) days after the date the Owner notifies the Contractor of the violation. There is a rebuttable presumption that a Contractor did not knowingly employ an unauthorized alien if the Contractor verified the work eligibility of the employee through the E-Verify Program.

If the Contractor fails to remedy the violation within the thirty (30) day period, the City shall terminate the Agreement with Contractor for breach. However, if the City determines that terminating the Agreement would be detrimental to the public interest or public property, the City may allow the Agreement to remain in effect until the City procures a replacement contractor. If the City terminates the Agreement, the Contractor shall be liable to the City for any and all actual damages incurred, including but not limited to attorneys' fees.

- C. Contractor's subcontractor(s) shall certify to Contractor in a manner consistent with federal law that the Contractor's subcontractor(s), at the time of certification does not knowingly employ or contract with an unauthorized alien; and has enrolled and is participating in the E-Verify Program.

- D. Contractor shall maintain in its files a certification of each of its subcontractor(s) throughout the duration of the term of this Agreement and the term of Contractor's subcontract with its subcontractor(s).
- E. Termination of the Agreement for violation of this requirement may not be considered by the Contractor or its subcontractor(s) as a breach of contract by the City.

18. ADDITIONAL TERMS

- A. This Agreement, consisting of 9 pages, embodies the total agreement of the parties, and there are no other promises, terms, conditions or obligations, other than those imposed by law, regarding the subject matter of this Agreement other than those contained herein.
- B. All signatories state and affirm that there are no other considerations or monies contingent upon or resulting from the execution of this Agreement, nor have any been sought by or for any signatory to this Agreement.
- C. This Agreement shall be interpreted and enforced under the laws of the State of Indiana.
- D. An accurate photocopy of this Agreement as executed shall be as enforceable and binding and admissible as evidences in any administrative, arbitration or judicial proceeding as the original.
- E. The words "Contract" and "Agreement" are used interchangeably in this Agreement, where used, refer to this Agreement.
